

Please select one notetaker and take notes. You will be asked to report later when we return to the main session. You have about 10 mins. for this exercise.

You will find the case to discuss on the course webpage under in-class material. Please read through the case again and try to answer the following questions as a group.

1. *What were this patient's expectations? Focus on best practices when consenting a patient.*
2. *What was problematic how the medical error was disclosed? Brainstorm best practices when disclosing medical error.*
